

## University of Southeastern Philippines

### ADMINISTRATIVE COUNCIL REFERENDUM 01 S. 2017

Request for approval from the Administrative Council Members of the University of Southeastern Philippines for the University to purchase:

a) **One (1) Utility Van as University Ambulance**

This will serve as an accident and emergency paramedical vehicle and a Patient Transport Service to transfer immobile patients to and from their hospital appointments. This has a proposed budget amounting to Six Hundred Thousand Pesos (PhP 600,000.00) to be charged against Fund 164.

b) **One (1) Utility Van as TTRC Support Vehicle**

This will serve as a support vehicle of the Teacher Training and Research Center to cater TTRC trainings and activities. This has a proposed budget amounting to One Million and Six Hundred Thousand Pesos (PhP 1, 600,000.00) to be charged against Fund 164.

Attached are the following documents:

- A. Approval from the University President and Administrative Council Chairperson allowing this subject matter for referendum
- B. Implements/Technical Features of a brand new **one Utility Van** (L300) for the University Ambulance
- C. Implements/Technical Features of a brand new **one Utility Van** (Grandia) for the TTRC support vehicle
- D. Certification of availability of funds

Done this 3<sup>rd</sup> day of March, 2017.
